## ABOUT US

Astraea Parts is an automotive spare parts supplier for 2, 3, and 4 wheelers.

Our products are designed and engineered for efficiency with an emphasis on enhanced comfort levels and fine tuned response. Our vision is to offer the highest quality products at the most reasonable price and providing the highest customer satisfaction. We take customer satisfaction seriously and aim at providing highest quality service and building a positive relationship.

Our product range includes - Blinkers, Rear View Mirrors, Control Cables, Filters, Side Stands and Centre Stands, and more. We are constantly introducing new product lines to ensure that we become the “*most-preferred*” brand for our customers.

## CONTROL CABLES

Astraea Control Cables are friction free control cables with robust end casting systems. They promise longer life, and better efficiency due to its premium quality.

They are rust proof and tested for all road conditions.

We provide a wide range of products at competitive price and offer market discounts to all our customers. Schemes have also been introduced for bulk purchases.
